ST. LOUIS, June 7.—Although St. Louis forced New York to use five pitchers, the visitors won a "see-saw" game today, 2 to 8. New York started the scoring in the second when three singles and a pass netted two runs, but St. Louis took the lead in the third with five runs, made on two triples, two singles and two errors. The game was St. Louis's up to the eighth inning, when two singles, two doubles and a triple gave New York four runs and the game. Score:

To Inventory McCarty's Effects. SPRINGFIELD. Mo., June 7 .- An inventory of the estate of Lather McCarty, the heavyweight pugilist, who died from the effects of a blow in a fight with Arthur Pelky, will be made here Monday. An effort will be made next week to settle that part of the estate here. McCarty's personal belongings will be taken west, probably to Los Angeles, where it is thought a higher price can be obtained for them.

WILCOX GOES AFTER TIME MARK TONIGHT

Will Attempt to Lower Hardy Downing's Record of 1:152-5 for Mile.

Announcing as the feature event of his card of bleyele races at the Majestic saucer tonight-a speed exhibition that should prove one of the biggest drawing cards of the entire season-Manager Harry Heagren has issued his list of events for the fifth meet of the summer. The world's mile record for a bicycle rider on a saucer track, motor paced, is held by Hardy Downing of Salt Lake, and the time is 1:15 2-5. This is the record Downing made at the saucer track here about four years ago, and it still stands as the fastest mile ever ridden on bicycle on a saucer track in this country or Europe. Wilcox, the popular Salt Lake boy, who

wilcon, the popular Sait Lake boy, who has made so great a success of pace following is going out tonight after Downing's record. There is every chance that he will equal if not break it.

Not in many seasons has a feature been announced for the local saucer so interesting from every standpoint as an effort which Wilcox will make tonight. The bets are heavy and many that Wilcox will succeed.

Wilcox Riding Well.

Wilcox Riding Well.

Cartainly the Salt Lake rider never rode before as he has been riding so far this season, and with Whittier in front of him on a fast motor he will have the advantage of being paced by a man who knows the value of minutes and seconds on a saucer track as few other racers in the country do. Whittier's track generalship alone should be worth anywhere from two to five seconds in such a race as Wilcox will ride, and with a flying start for the mile there are thousands of fans who will not be surprised if Wilcox brings home the bacon.

Heagren has arranged a great drawing card in the event, in any case.

A man going a mile in 1:15 behind a pace at the saucer comes about as close to looping the loop as any circus performer ever gets, and the event should be thrilling enough to suit the most blase among the fans.

among the fans.

Other Events Carded.

Other Events Carded.

With this as the headliner, Heagren has arranged a five-mile open lap event for the professionals, in which every man on the list is entered. With DeMara, Pye, Walker, Hehir and Thomas fighting every inch of every race, they have been entered since the season opened, and all strong contenders in the professional events, the five-mile open lap should prove a great race. The half-mile handicap professional is due to bring out some surprises tonight. DeMara is one of the best sprint artists in the business, and with Crebs and Lloyd Thomas riding in their best form, the half-mile men will have something to do tonight.

The amateurs will have a pursuit race and a two-mile lap handicap to work with, and with the feeling of track rivalry that prevalls among the amateurs, almost anything can be looked for.

So far this season Heagren has handled some of the biggest crowds the bike racing game has had in Salt Lake for many years. The season reservations for seats are steadily creeping up and every indication points to a record year for the Majestic saucer.

College Baseball

PRINCETON, June 7.—A minstorm ended the Princeton-Yale basebail game today in the sixth inning, with the score 0 to 0. Yale had a man on second with only one out when the storm broke.

As Yale won the first game of the series at Ne wHaven last Saturday, Princeton's failure to win today would have given Yale the series, but the Yale players decided to play off the tie Monday.

The game was preceded by the annual alumni parade, in which nearly 5000 Princeton graduates took part.

HIGH CLASS HORSES FOR LATONIA DERBY

Big Event Will Be Run Saturday, With Field of Notables.

un at Latonia, and this will be followed by the Derby on Saturday, June 14. The general manager of the track has received requests for box reservations from many cities and, judging by the number of reservations, the Kentucky Derby at Louisville will have nothing on the Latonia Derby as an attraction which draws.

draws.

The Latinia Derby is the culminating event in the spring for three-year-olds. A three-year-old that wins the Latonia Derby is looked upon as a champion. The English, who raced horses hundreds of years before Latonia or Churchill Downs was ever thought of, have by long experience learned that the proper test for a three-year-old is a mile and a half route. This is the route the horses will be asked to go at Latonia, and any horse which carries 122 pounds or 127 and wins over the mile and a half journey is considered a thoroughbred worthy of the name.

sidered a thoroughbred worthy of the name.

At present it looks very much as though a field of nine will go to the post in this big race. Ten Point, according to his owner, is a sure starter, despite his defeat in the Kentucky Handleap. Nothing has been heard lately from Hawthorn, and it is quite doubtful if he will be able to go. Helios worked three-quarters very handliy in 1:18 the other day, and it might be just possible that Jack Keene has the grand little gelding in better shape than most persons believe, and will make a try for the prizat the last minute. Donerall is a sure starter, and the prediction is made that the horse which beats Donerall will get the wreath around his neck.

Great Britain had some workouts, and will get a race or two under his belt within the next week. Prince Hermix will probably try the mile and a half route.

McCorkle ran one good race two weeks.

will probably try the mile and a half route.

McCorkle ran one good race two weeks ago and the same said about Helios might apply to the big horse in Tom McDowell's stable. The Blue Grass crowl still stick to it that Foundation is a good race horse and he will surely go to the post, barring accidents.

Gowell is a sure starter. She received a hard campaign as a two-year-old and is now being run to death as a three-year-old. Her poor race in the Kentucky Oaks plainly showed that she should have a little rest. The filly is run one day in a long race and then in a day or so shoved into a six-furiong dash. This is very trying and will throw the best of them off edge, especially as the weather is changing like it has been during all of this spring.

That is a pretty good field for a Derby and the boys will have plenty of trouble trying to pick a winner.

MADDEN BUYS FIFTEEN COLTS FROM BELMONT

LEXINGTON, Ky., June 7.—G. W. J. Bissell has purchased two yearlings by McGee from Charles W. Moore, a bay colt out of Little Whit (dam of Counterpart), and bay filly out of The Governess (dam of The Lady Rohesta).

It appears that W. J. Treacy of the Kentucky Sales company was acting for John E. Madden when he bought fifteen yearlings from August Belmont a few days ago. From Canada comes the information that Madden has sold the Fair Play-Orienta filly, the Singleton-Ed. Agnes filly, the Singleton-Ed. Agnes filly, the Singleton-Lady Madge filly and Singleton-Lady Rayon filly to James A. Thompson of Ontarlo, and they were in the lot sold by Belmont to Treacy.

James B. Haggin's famous producing thoroughbred brood mares, Pearl V. by Salvator, dam Firenzi, is dead at Elmendorf farm. She died foaling a full brother to Water Pearl and Pearl River, the latter now a good long distance horse in England. by Watercress. Hamburg Belle has a bay filly by Water Boy. Princess Noretta, owned by the late John Mackey, is the only thoroughbred mare yet to foal at Elmendorf. Her foal will be a full brother or sister to Prince Gal by Galveston. The Haggin yearlings will leave for Sheepshead Bay June 12.
